

Andhika Wicaksono

Front End Developer

+62 812-9774-7294 | wicakbotak99@gmail.com | Kota Tangerang, Banten, Indonesia 15144

Summary

I am a Web Developer with 3 years of experience in front-end and full-stack development. Proven expertise in developing and maintaining dynamic websites and web applications using a variety of technologies, including PHP Native, Laravel, and modern JavaScript frameworks like Nuxt.js and Vue.js. Experienced in developing solutions for diverse projects, from guest books and booking systems to complex reporting tools and social media platforms. I am passionate about creating efficient, high-quality web experiences.
